

Ward: Dene and South Gosforth (H)

The Ward has 4 polling districts derived from parts former Dene and East Gosforth wards

Efforts are being made to find an alternative polling place to the temporary cabins for electors in H01. Polling district H02 has no polling place within the polling district and must therefore combine with electors in H03 in using Trinity Community Centre unless an alternative location can be found. The ward is split between East and North Parliamentary Constituencies, with polling districts H01 and H02 in North while H03, H04 and H05 are in East.
