

**Ward: Fawdon and West Gosforth (K)**

5 new polling districts are contained within the ward, formed by former Fawdon and parts of Kenton wards.

Many electors will see no change to polling places. K01 currently has a temporary cabin as a polling place and efforts are being made to replace that with a permanent building within the polling district. The ward is split between Central and North Parliamentary Constituencies, with K01, K02 and K03 in North and K04 and K05 in Central.
