

Fenham Ward Committee - Our priorities for 2017-2018

Cleaner, Greener, Safer
Environment

Children and Young People's
Activities

Support for Local Groups

Health and Wellbeing

Working together with local partners and residents in 2017/2018 we will:

Support Community Groups

Work with local groups and organisations to produce a digital map of services and activities across the ward.

Work with local groups offering support and capacity building where appropriate.

Support groups to identify funding opportunities via the Grantfinder service.

Support local activities by advertising in the three local notice boards (email information to amy.stillwell@newcastle.gov.uk)

Cleaner, Greener, Safer

Work with local residents to tackle dog fouling across the ward.

Work with local residents, police and the Highways Team to address issues of speeding traffic on Kirkheaton Place and St Cuthberts Road.

Advice for local residents on protecting property from burglaries

Work with police and residents to tackle anti-social behaviour on King George V Playing Fields

Children and Young People's Activities

Support the Children and Young People's Network to provide meaningful activities for young people, by identifying funding opportunities and working with local partners to promote their work.

Health and Wellbeing

Work in partnership with adjoining wards, local organisations and local residents to develop a Health Partnership, helping to identify opportunities to improve the health of local people and reduce social isolation.
